District (D7)**

**DATE : 11 September 2020**

**SUBJECT : Institute for Applied Sciences and Commerce (IFASCO)**

---

This communique serves as a confirmation that (IFASCO) is offering tuition for the National Senior Certificate (NSC) and the Amended Senior Certificate (ASC) Examinations which takes place in June and November each year respectively.

The candidates accepted attend tutorial lessons with IFASCO for ten months prior their examinations. IFASCO then registers the candidates with an accredited examination centre identified by the Gauteng Department of Education.

The scope of the Grade 12 tuition offered by IFASCO read thus:

NSC: National Senior Certificate for candidates who will be writing during the November/ December examinations period.

ASC: Amended Senior Certificate for candidates who are over the age of 21yrs and at least have passed grade 9 or standard 7.

The role of IFASCO in this regard is to train and recruit. The Education Department registers the candidates to write examinations at an accredited centre.

Kind Regards

**Mr. Dan Moepadira**
