Dear Dr Tshabalala

LETTER OF GRATITUDE FOR THE CONTRIBUTION AND GOOD WORK

I wish to express my appreciation to you and your organisation, Institute for Applied Science & Commerce (IFASCO), for the contribution that you are making to offer young people the opportunities to improve their Grade 12 results through *Itukise Full Time Matric Re-write Programme*.

On behalf of DBE, I hope together with the SCMP as piloted by the Department, *Itukise Full Time Matric Re-write Programme* shall continue to further establish itself among communities in the country, South Africa.

The achievement of the matric qualification is an enormous step towards accessing more opportunities of further studies and skills development programmes.

Yours faithfully,

DR S MALAPILE
DIRECTOR: SECOND CHANCE MATRIC PROGRAMME
